Facts & Findings is the official publication of NALA. It is designed to serve the needs and interests of paralegals nationwide.

The information provided in this publication does not, and is not intended to, constitute legal advice; instead, all information, content, and materials available in this publication are for general informational purposes only. Information in this publication may not constitute the most up-to-date legal or other information.

Facts & Findings is edited for the members of NALA. Publishing and editorial decisions are based on the editors' judgment of writing, the timeliness of the article, and the potential interest of the readers.

The views expressed in *Facts & Findings* are those of the individual authors and do not necessarily reflect the official views of NALA. No endorsement of those views should be inferred unless specifically identified as the official policy of NALA.

Facts & Findings exercises reasonable care in accepting advertising from reputable firms and individuals. However, information concerning the products and services advertised is provided by the advertisers. *Facts & Findings* makes no representation as to the validity of the information or the suitability of advertised products and services to particular uses. *Facts & Findings* and NALA are not liable for misinformation, typographical errors, or misprints in the advertisements.
